2.

Hungarian officials stated that their immediate goal is to induce large groups of Austrians to visit Budapest and the Lake Balaton area. In the fall of 1955, they hope to arrange excursions to attend sports events and to organize hunting trips. They foresee a gradual easing of Hungarian travel restrictions so that by late 1955, tourists would be included in organized excursions to Hungary. They added that the Danube is not to be used for tourist travel at present.
